

Country Women's Association of NSW Insurance Update Newsletter

March 2023

You should retain this information for future reference.

All CWA of NSW Branches, that are responsible for CWA of NSW property, will receive a Premium Statement for Branch Property, Contents and Casual Hall Hirers' Public Liability, where applicable.

This account must be remitted directly back to Scott & Broad's office no later than **31 March 2023**, as per payment details on the Premium Statement (*if paying via EFT, please ensure you use the EFT details noted on the Premium Statement, as Scott & Broad changed their Bank Account details in June 2021*).

CWA of NSW State Office has arranged these Insurance policies via Scott & Broad. Please note the policy documents are held by State Office and separate policies will not be issued to individual branches.

BRANCH PROPERTY & CONTENTS INSURANCE

The Industrial Special Risks policy provides insurance cover for your Branch Building & Contents.

It is recommended that all Branches insure the Branch Property and/or Contents under this policy. Branches will be charged for Building and/or Contents insurance, based on the Sum Insured selected by the individual Branch. You have the option to revise the Building and/or Contents Sums Insured on the Premium Statement, by notifying us in writing. Please note the insurer may charge an additional premium for changes made. Any Branch who does not have custody of CWA of NSW Property or Contents will not be charged for this policy.

SUMMARY OF COVER

- Accidental loss or damage to the property insured, including limited Flood damage
- Architects, Surveyors & legal fees (necessary to rebuild your premises)
- Burglary &/or Theft - \$5,000 minimum limit, 20% of the contents at the situation – \$50,000 maximum limit
- Accidental breakage of fixed glass

BRANCH SUMS INSURED

It is the Branches’ responsibility to ensure that the Association’s property is insured for its full reinstatement and replacement value i.e. the amount it would cost to rebuild the Property.

If you are not sure if your sum insured is correct, we recommend that you seek professional assistance from a suitably qualified valuer to provide you with the reinstatement and replacement cost of the CWA of NSW property. A Real Estate market appraisal for sale and/or a land valuation from the Valuer General NSW office will not provide this information.

POLICY DEDUCTIBLES (EXCESS)

Earthquake, subterranean fire or volcanic eruption	\$20,000 excess, or an amount equal to 1% of the total value at the Situation where the Damage occurs, whichever is the lesser
Members Personal Property	\$1,000 excess
Flood	\$2,500 excess

These minimum deductibles (excesses) could impose a significant additional cost to claims. As such the Association will be assisting every branch in the following way:

First \$1,000 will be payable by the Branch

Any additional deductible (excess) will be payable by the Association.

Hardship consideration will be given to Branches unable to afford the full \$1,000 deductible (excess).
